PROFESSIONAL SUMMARY

Motivated B.Tech IT student and aspiring founder with hands-on experience in full-stack and AI-powered web development. Currently interning as an AI-Powered Web Developer at RAD InfoTech, building production-grade tools that enhance digital operations. Founder of Shevara Nexus, developing AI-driven software products. NPTEL Elite certified in Cloud Computing (IIT Kharagpur, 82%). Proven ability to ship end-to-end web applications across EdTech, productivity, and AI domains using React.js, Node.js, MongoDB, and Firebase.

EXPERIENCE

AI-Powered Web Developer Intern

RAD InfoTech

Mar 2026 – Sep 2026
Coimbatore, TN

- ▶ Developing AI-integrated web tools that automate content workflows and reduce manual processing overhead for RAD InfoTech's digital platforms
- ▶ Building and deploying full-stack features using React.js, Node.js, and MongoDB in an active production environment
- ▶ Implementing REST APIs and cloud-based microservices, contributing to platform scalability and performance
- ▶ Collaborating in an agile team; performance, skills, and adaptability assessed for full-time consideration upon internship completion

Founder

Shevara Nexus

2025 – Present
Coimbatore, TN

- ▶ Conceptualizing and building AI-powered software products targeting EdTech and productivity markets
- ▶ Leading end-to-end product development: ideation, full-stack engineering, UI/UX design, and go-to-market strategy
- ▶ Managing product roadmap and technical architecture independently as a solo founder

PROJECTS

AI Resume Analyzer

React.js · Node.js · MongoDB · REST API

- ▶ Built an intelligent web app that parses resumes using AI/NLP and provides real-time ATS compatibility feedback and improvement suggestions
- ▶ Implemented automated scoring logic evaluating content quality, keyword density, and formatting against recruiter benchmarks

Mock Interview Platform

React.js · Firebase · Tailwind CSS · AI Integration

- ▶ Developed an AI-driven platform simulating technical and behavioural interviews, delivering structured feedback on candidate responses
- ▶ Designed adaptive question banks and real-time scoring for software engineering and aptitude domains

LMS Portal (Demo: <https://69120aaf85ef23d75dc41974--prismatic-liger-c0d341.netlify.app/>)

React.js · Node.js · MongoDB · Tailwind CSS

- ▶ Built a full-featured Learning Management System supporting course creation, student enrollment, assignment submission, and progress tracking

- Implemented role-based access control (admin, instructor, student) with secure authentication and real-time dashboard

Certificate Verification System

Node.js · MongoDB · Firebase · REST API

- Designed a tamper-proof digital certificate issuance and verification system with unique ID-based validation, eliminating credential fraud
- Built an admin portal for batch certificate generation and a public-facing verification interface

Student Dashboard System

React.js · Firebase · REST API · Tailwind CSS

- Created a real-time analytics dashboard tracking academic performance, attendance, CGPA trends, and assignment deadlines
- Integrated live data sync via Firebase with role-based views for students and faculty

TECHNICAL SKILLS

Languages	JavaScript, Python, Java
Frontend	React.js, HTML5, CSS3, Tailwind CSS
Backend	Node.js, REST APIs, Express.js
Databases	MongoDB, MySQL, Firebase Firestore
Cloud & Tools	Cloud Computing, Git, GitHub, VS Code, Vercel
Concepts	Full-Stack Development, AI Web Integration, System Design, Agile

EDUCATION

B.Tech, Information Technology	2023 – 2027
Sree Sakthi Engineering College, Coimbatore	CGPA: 8.3 / 10
▸ Active member, ISTE Association — documentation and technical initiatives	

Higher Secondary Certificate (HSC)	2023
Chinna Samy Ammal Government Boys HSS, Tiuppur	82%

Secondary School Leaving Certificate (SSLC)	2023
Chinna Samy Ammal Government Boys HSS, Tiuppur	pass

CERTIFICATIONS

Cloud Computing	NPTEL · IIT Kharagpur	Elite 82% Jan–Apr 2026
-----------------	-----------------------	--------------------------

Credential ID: NPTEL26CS55S1350500133 · Ranked in top cohort among 33,252 certified candidates

AI & Machine Learning in Java	Oracle Academy	Nov 2025
Granted by Oracle Academy. Hands-on program covering neural networks, deep learning models, and Java integration.		

C Programming	IIT Bombay (Spoken Tutorial)	92% Score 2025
Organized by Sree Sakthi Engineering College and invigilated remotely by Spoken Tutorial Project, IIT Bombay.		

C++ Programming	IIT Bombay (Spoken Tutorial)	85% Score 2025
Organized by Sree Sakthi Engineering College and invigilated remotely by Spoken Tutorial Project, IIT Bombay.		

Python 3.4.3	IIT Bombay (Spoken Tutorial)	80% Score 2025
Organized by Sree Sakthi Engineering College and invigilated remotely by Spoken Tutorial Project, IIT Bombay.		

7+ Competency Certificates	Infosys Springboard	Verified
----------------------------	---------------------	----------

Verify competency certificates at: infyspringboard.onwingspan.com/web/en/app/profile/competency/certificate

ACHIEVEMENTS

- ▶ **Smart India Hackathon (SIH) Participant** — Shortlisted for competing in nationwide problem-solving challenges using cloud computing modules.
- ▶ **3rd Place, College Hackathon** — Awarded for engineering an automated digital interface solution under intense timeline pressure.
- ▶ **National Conference Speaker/Participant** — Presented research abstracts evaluating security parameters in cloud and e-learning databases.
- ▶ **HackerRank Gold Badge in Python** — Earned Python coding badges with high algorithmic accuracy on challenging hacker rank coding boards (hackerrank.com/profile/s_suresh63808661).

LEADERSHIP & ACTIVITIES

- ▶ ISTE Association — Documentation Member *Sree Sakthi Engineering College*
- ▶ Built and maintain a personal developer portfolio showcasing 8 live full-stack projects (<https://suresh2160.github.io/portfolio1/>)
